

## ☀️ Caterpillar Room Newsletter ☀️

Dear Families,

Welcome to Summer term, especially if you are one of our new families joining this term

💛 We are looking forward to spending the term enjoying summer on the meadow, visiting our newly refurbished ball pool and for those moving on to Bumblebees come September, visiting Bumblebee Room. We also have Duck Eggs at nursery this term and a Farm Visit!

---

### 🎉 Kay's 60th Birthday 🎉

We are delighted to be celebrating **Kay's 60th birthday** this week. Kay is a much-loved member of the Caterpillar team, and we are so excited to mark this special milestone with her. I'm sure you'll all join me in wishing Kay a very happy birthday! 🌸

---

### ☀️ Preparing for Warmer Weather

As we move into the summer term, please take note of the following:

#### 💧 Suncream Permission

With your starter forms you will have been given a consent sheet and consented or declined consent to us using our suncream on your child. If your preference has changed please let me know.

#### 🧢 Hats/Caps

Please send your child in with a named sun hat or cap each day to help protect them when we are outdoors.

#### 🌙 Lighter Tog Sleeping Bags

With temperatures rising, children may be more comfortable in a **lighter tog sleeping bag**. If your child uses a sleeping bag, please could you provide us with one as soon as possible.

#### 😴 Updated Sleep Guidance

We are aware of the new EYFS sleep guidance and have implemented all of the changes to create an even safer sleeping environment for your baby.

---

## Summer Term Come and Play Sessions

We are pleased to confirm our upcoming **Come and Play** dates:

 **Wednesday 21st May** – 09:15–10:15am

 **Wednesday 9th July** – 09:15–10:15am

These sessions are a lovely opportunity to spend time in the room with your child in Caterpillar Room and see their learning in action. We look forward to welcoming you.

---

We would like to remind you all of our open door policy - you are more than welcome to pop into the room at drop off or pick up if you'd like a chat or your baby needs some extra time to settle (or if you need an extra squish!). Please also remember that we welcome you to feed your baby in the room, breast or bottle, we have rocking chairs both in the main room and in the sleeping area if you'd like privacy.

With warmest wishes,

 **Hayley and the Caterpillar Team**
